22**

Build your business and create urban solutions for The Hague

Are you passionate, socially committed and do you have solutions for the City's challenges? Sign up your idea for the new challenges of Startup in Residence The Hague. Co-create solutions with civil servants and the Municipality of The Hague might become your customer!

WHAT ARE THE BENEFITS

- › Participation in the Startup in Residence programme
- › €5.000 to develop your MVP/prototype
- › Access to the municipality's network and working space
- › Support from experts of your choice
- › Opportunity to test your idea in the city

AFTER SIR PROGRAMME

- › Possible financial support for a minimum of €20.000 for building your product/service
- › The chance to do a pilot, scaling and receiving your first customer

WHAT WE EXPECT FROM YOU?

- › Innovative solutions for our challenges
- › An MVP or proven technology for your solution
